Treasurer's Report:

Jim Utley advised that due to the rising cost of lumber, i.e. plywood, it would require approximately less than \$1000 to cover the cost to replace table tops. It appears Jim was granted permission to purchase all necessary materials. It should be noted, when aforementioned materials are available, that "work party" be implemented ASAP. Members put out feelers & lets get this CLUB work project completed.

The Treasurer's report was accepted.

Safety Report:

A club member said he witnessed a group of unidentified individuals flying R/C's in the area of the levees west of the runway. The member attempted to confirm if the subjects were members. However his inquiries were met with negative results & refused to leave. Consequently if these individuals were allowed access/entry, did a member assist in this unauthorized action??

Regarding this incident of NON MEMBERS flying on the club's facility, it cannot be emphasized enough, that said actions are in violations of FAA/AMA rules & regulations!!

Next meeting
11AM August 14
At the Field

If any member is partaking in this, expulsion from the club will be implemented immediately!! ONCE AGAIN, club members are NOT permitted to give key(s) and/or combination lock codes to any non-members.

Field Report:

None

Once again – do not bypass any locks on the chain!

Old Business:

Jeff Whitney advised a birthday celebration in honor of "Amelia Earhart" will be held on 07/24/21 at Oakland Aviation Museum, with a bronze plaque donated by the social group E Clampus Vitus.

New Business:

Jim Utley commented the possibility of raising club dues, in order to compensate for the recent increase of property taxes per notification from the Alameda County Assessor's, Speaking of Jim Utley, after 12 yrs. of dedicated service, he will be stepping down. With upcoming club elections, if any member would like to accept the position as club's treasurer, notify Prez. Mike Pimentel.

Thanks again Jim Utley for your impeccable 12 yrs. of service!!!

In order to stimulate attendance for future club meetings, it was voted in that club meetings are to be held on every second month, followed with a BBQ & raffle of miscellaneous items. HOPEFULLY this will attract the current 200 + members to attend club meetings. Those members who bring their fellow canines, must be leashed per Alameda County Ordinance.

Once again – do not bypass any locks on the chain!

Editor's note:

I apologize for the tardiness of this edition of the newsletter—we have had a big push at the office and I have been working non-stop since mid-May. It's over—for now! Believe it or not—still working overtime! I have not had time to fly, let alone work on a model. Hopefully ends August 27—Just in time for Waldo Pepper!
