Jim Utley—Treasurer

Jeff Whitney—Past President

Director of Communication: Steve Hoyt

Field Manager: Brady Deitrick

Board Members in Absence:

President: Jim Solar

Safety Officer— Bob Dutra

Minutes

Accepted as published

Treasury Report

By: Jim Utley

Voted on and accepted.

Field Report:

Brady reported the field was in good condition but needed a few items worked on because of the wet field. He set a work party for Saturday January 19, at 10:30 AM. This is the duck hunting day so there will be no flying.

As a reminder: **smokers need to pick up their butts after themselves.** Smoking is a privilege we have re installed. Please don't force us to revoke this privilege.

Safety Report:

No real safety concerns per Lou Morales at this time.

There have been several in-experienced pilots at the field recently. It was suggested we post the names photos and contact information of

persons we can use at trainers to help these people.

No Old Business:

None

New Business:

A proposal to put a plaque under the Lou Hayne sign at the field, listing the members of the club who have recently passed on. There are 3 or 4 names that could currently be listed. The issue was passed.

Discussed rule concerning new members being required to demonstrate ability by making 3 takeoffs and landings observed by a board member.

Steve Hoyt proposed possibly putting in a helicopter pad on the north east area of the field to allow for helicopter flying. Steve will work on a detailed proposal and submit it to the board.

Prospective New Members:

Rick Hunter, Alvin Dockter, Ivan Ferreira.

All were approved. We now have a current membership 120

Announcements:

There was a night fly on January 25th.

We had about 5 flyers and about the same amount of spectators. Everyone had a great time

Jeff Whitney announced that next October the ScaleMaster Championships would be held at the Alameda Naval Air Station and George Ellison would be in charge.

We have been invited to Wings over Arizona 2013. This event will be in April and you can see the attached flyer

Show & Tell:

None:

Notes:

I would like to take this time to thank the volunteers who helped with the Christmas party. They did a great job and fun was had by all. There are a few photos of the party. Brady would like to thank the members who helped at the work party and he posted a personal thanks at the filed.

Just a couple of photos from the night fly

Real Cool

The members really put a lot of work into these planes. This was only a few of them.

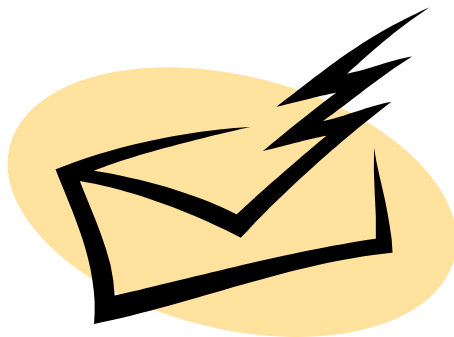

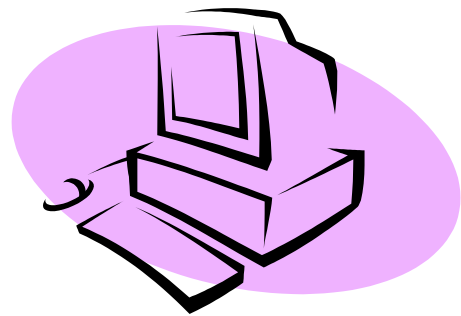

Our next meeting will be held on February 9th 7:30 P.M. At the club house.
