GENERAL MEETING:

Meeting was called to order at 11:05 by President Steve Hoyt.

New Members:

None.

News Letter Issues:

None.

March Minutes:

Accepted as published.

Treasurer's Report:

Accepted as read—there were two porta-potty bills for April because we are billed on a 4-week cycle and the stars were in alignment.

Safety Report:

Please keep your speed on the road to 10 MPH or less—any more raises a lot of dust and causes the road to washboard.

Field Report:

Nothing specific—just a reminder to take everything home that you bring in—even if it is in a garbage bag.

Mike West cut a lot of the brush on the trail that used to be the berm around the field.

Next meeting:

11AM June 9

At the Field

Old Business:

None

New Business:

We will have a Fun Fly the 3rd Saturday in September—same as the previous one (but probably different events). You can only fly 1 airplane for the event.

Show and Tell:

Roger Borovey showed an FMS BAE Hawk. 6S-5000MAh. He got it from Hobby Zone in Minnesota—free shipping and no tax—it was shipped from Horizon!

Announcements:

Upcoming Events of Interest:

Golden Age @ WDA 7/7
Warbirds @ SACRC 7/15
Wings of Victory @ WDA 7/21-22
Warbirds @ LFE 8/18
Waldo Pepper @ SACRC 8/25-26
Jets @ AMOS 9/21-23
Dawn Patrol @ Ukiah 10/6-7

Not all dates are committed as yet—Verify in the calendar section of Model Aviation.

Editor's note:

I was at a contest last weekend at Ukiah—the Dan Sullivan Memorial. This is the only Scale contest in Northern California I think. The flying site is in the middle of a vineyard with a very long and wide grass runway. If you have ever thought about going to a scale contest, this would be the one to go to. It is relaxed but competitive and the Ukiah club really goes out of their way to make sure everyone has a good time.

They actually start early—people start showing up Wednesday and Thursday, although Friday is the official kick-off with a spaghetti dinner.

Saturday and Sunday mornings breakfast is available at the field, and of course lunches both days. Saturday night is a BBQ that NEVER disappoints! They even show a movie when it gets dark.

In October they will be hosting a Dawn Patrol for anyone with a WWI model—ARF or built-up, no problem. There are various events such as Mission, and formation flying, bomb drop and again, breakfast, lunch and dinner!

Our Warbird event is in July—any warbird! - and is a low key event.

Waldo Pepper is in August—WWI and Golden Age aircraft. Low key again—lunch and BBQ Saturday night.

Jeff
