Approved as read. The membership is up to about 132.

Field report:

Brady sent this in:

Yesterday (7/18) the group worked on the field in preparation of the Saturday War Bird event. We fixed the carpet in the Hot Pit, trimmed the weeds on the edges and weed killed where needed. The entire area was blown off so the runway is clear of debris as is the spectator area.

Today I went to clean up the benches BBQ of cobwebs and straighten up the Shed. Also sprayed Home Defense around the benches and tables to help keep the spiders down. There are things in the shed that need to be tossed and there are trash bags in the black Cabinets. Special thanks to Dan Cadwell as he did most of the heavy trimming work. BY HAND great new member. Others were, Steve Woodall, Tom Ryan, Hardy Dunn, Norm Coats, Harry Kart, Burt Rosensweig and John Avila.

Our US and Club flags are in the black cabinets and they should be flown during

the event. I showed Dan Cadwell where they are and believe he will post the colors.

Norm and Mike W cut the weeds back too!

Safety

A reminder that no armed (electric) airplanes are allowed in the general pit area. They are to be armed in the hot pit, and if a hand launch the airplane should be carried along the field side of the fence to the launch area. This seems to be a common issue!

Also keep to the 10 MPH speed limit on the roads!

Call out your take-offs and landings, and when you go on the runway

Old Business:

None

New Business:

Jim Utley will be hosting the Boy Scout camp out at the field August 17-18. He would appreciate help for trainer boxes.
