## Southern Alameda County Radio Controllers

President: Steve Hoyt

Secretary: Matt O'Sullivan

Vice President: Bob Freshwater

Treasurer: Jim Utley (510) 352-3150

The Club meeting was at 11:00 AM November 8, 2014

### **Board Meeting 10:00 AM:**

The board meeting was brought to order at 10:10 AM by President: Steve Hoyt at the field.

Board members present were President: Steve Hoyt, Secretary: Steve Woodall, Past President: Jim Solar and Director of Communications: Jeff Whitney.

Items discussed:

Steve Hoyt passed out copies of changes to the club rules to be proof read and suggestions made for final approval. One change was made to the number of flyers at one time from four (4) to five (5).

A date was made for the annual club Christmas party. It will be held at the Hanger on December 6, 2014, at 7:00 PM. We will need to have volunteers clean up the Hanger in the AM prior to the party and do some decorating.

The club will furnish turkey and ham and the rest of the meal will be pot luck. The club will also have prizes and table decorations for the members. It was undecided who would pick up the food, prizes and table decorations. Call Steve Hoyt 510-685-

8358 or email him at shoytjr@att.net to let him know if you are coming and what you will be bringing.

Jeff mentioned the pine tree near the clubs shack needs to be pruned back.

Also discussed was what can we do to improve the shack. Can it be repaired?

Board Meeting adjourned at 10:35.

### **Club Meeting 11:00 AM:**

#### **Location: Field**

The club meeting was brought to order at 11:00 AM by President: Steve Hoyt at the field. There were 26 members present.

There were no prospective new members or visitors.

There were no issues with the **News Letter**.

Jeff Whitney made a motion to accept last month **Minutes**. Art Vargas seconded. Motion was approved

There was no **Treasures Report**.

There was no **Safety Report**.

There was a report of an accident. Yefim Lukashovsky accidentally cut his arm by the prop when he bumped the throttle of his transmitter. First aid was applied at the field and he went to the Hospital for further treatment. It was noted that he had his plane on the arming table, but not against the restraints.

Further discussion suggested that each person arming their planes use the restraints on the tables. Also brought up was the fact that the newer transmitters have a throttle hold that can be used. We also have shelves under the table and transmitter holder boxes near the opening to the runway.

Common sense should be used around all armed planes on the arming tables and on the field.

The **Field Report** was made by Steve Woodall. Brady Deitrick, Norm Coates and Steve Woodall worked on cleaning up the field. Norm brought his tractor mower and widen the parking area, around the heli pad, the incoming road and trails in the pickle weed.

It was brought up that members liked the two (2) rolls of bumpers that were placed on the runway near the fence, by Bob Schleimer. They have saved some planes from hitting the fence.

Jim Solar made a motion to purchase more of the bumper rolls and apply them the full length of the fence. The motion was seconded and approved by the members present.

#### **Old Business:**

President Hoyt said the Club Christmas Party would be held at the Hanger on Saturday, December 6, 2014, at 7:00 PM. The club will furnish turkey and ham and the members attending will be asked to bring a dish to share.

Jim Solar volunteered to pick up prizes and table decorations.

Jeff Whitney will send out an e-mail notice regarding the party and asking members wishing to attend to RSVP on or before December 1, 2014, so then can plan the amount of food to purchase.

Volunteers are needed to clean up the Hanger and decorate. They should meet at the Hanger at 9:00 AM on Saturday December 13, 2014.

#### **New Business:**

There was much discussion about have a membership roster posted at the field.

A motion was made to post a membership roster that only included the members names and phone numbers. The roster would be posted in the frequency pin box. The motion was seconded and passed by the members present.

Members had planes and kits for sale.

#### **Show and tell:**

Steve Hoyt showed his 500 class helicopter to the group.

#### **Announcements:**

John Gross had major back surgery on October 28 and is now home recovering.

Scott Clinton will be having major surgery in the following week.

Erwin Grass had an accidental fall and broke 7 ribs.

There was no raffle.

#### **Adjournment:**

The meeting was adjourned at 11:35

# Southern Alameda County Radio Controller 2015 Renewal Form
