Southern Alameda County Radio Controllers

President: Mike Pimentel

Secretary: John Chavez

Vice President: Steve Hoyt

Treasurer: Jim Utley (510) 352-3150

Meeting was called to order at 11:00 AM 06/12/2021

BOARD MEETING:

No board meeting

GENERAL MEETING:

Meeting called to order @11:00 AM by President Mike Pimentel, with 14 members in attendance.

Corrections or additions to the minutes as published in the newsletter:

Approved as published.

New Members:

Richard Santos

Newsletter Issues:

Treasurer's Report:

In lieu of Treasurer Jim Utley's absence, Mike Pimentel cited the club's various categories that were sound financially.

The Treasurer's report was accepted.

Safety Report:

No reports

Field Report:

A member commented as to when the "Benson" access gate would be reopened. Mike Pimentel informed members that per property land management, it SHALL remain permanently closed, due to the ever constant damage & replacement of locks and chains. The replacement of lock(s) in general are costly items to our club's finances.

Consequently "Regents Blvd.", has now become the sole entrance to the club's facility. In reality the Regents Blvd. entrance, is less than a quarter of a mile from the Benson access.

Once again – do not bypass any locks on the chain!

At the Field

Old Business:

None

New Business:

The subject of making various repairs for the club's facilities, i.e. the decaying plywood floor to the storage area where chairs & miscellaneous items are kept. Of the 130 plus members, if there is any one that has carpentry type skills, and/or has a good resource to a GOOD reasonable cost type carpenter. Please notify Prez. Mike Pimentel. Also in the near distant future, a "work-party" is needed for painting the tables, & other miscellaneous fixtures.

At the June club meeting, it was decided as to the validity of voting in new members. Some members view the process as not-needed, while others feel it should remain.

A fellow member experienced a verbal confrontation when he observed a member smoking on the field. Unfortunately the "smoker" become upset when he was reminded not to smoke on the field.

Members remember, the aforementioned comes under the "GENERAL FIELD OPERATIONAL RULES", subsection (3) page (3), as follows "GENERAL RULES": "Members are responsible for the safety and actions of their children, guests and pets.

NO SMOKING or alcohol is allowed on the field or pits. Smoking is allowed in an area on the east edge of the property lot. Take your butts with you.

Editor's note:

I apologize for the tardiness of this edition of the newsletter—we have had a big push at the office and I have been working non-stop since mid-May. It's over—for now!

Regarding Dummy of the Month—it is meant to be in fun and to be instructional. It should not be taken as an insult or as a negative. There is always a lot of silliness around aviation and we should embrace it.
