Southern Alameda County Radio Controllers

President: Steve Hoyt

Secretary: Jeff Whitney

Vice President: Mike Pimentel

Treasurer: Jim Utley (510) 352-3150

Meeting was called to order at 11:00 AM 10-13-2018

BOARD MEETING:

Meeting called to order at 10:45 AM by President Steve Hoyt.

Board members in attendance were President Steve Hoyt, Vice-President Mike Pimentel, Treasurer Jim Utley, Members-at-Large Norm Coates, Harry Kart, Burt Rosensweig and Jeff Whitney

ITEMS DISCUSSED:

The board reviewed (again) the flying rules and recommended changing the wording regarding the AMA Safety Code. As it was worded, the membership would have had to vote on the rules every time AMA updated their Safety Code. Changing our rules to "the current AMA Safety Code" means that we are always in compliance with the current code.

Jim Utley recommended that at the Christmas party rather than trying to get a gift for

everyone, instead purchase 5 ARFs or kits and several gift cards for the ladies.

It was also recommended to give \$300 to Norm for his work in deepening "Lake Norman" for the winter months.

Mike P noted that the Lost and Found area is now in the shed behind the impound area. It is **HIGHLY** recommended that you put your name on everything, and maybe your phone # as well.

Safety Report:

Please stay in the painted flight boxes. Jim Weiss was voted in as a Safety Officer.

Field Report:

Brady reported that they have been applying weed killer and working on the trails – new “wattles” (the tubes in front of the fence) have been installed. He also asked that we take a few minutes per day and do a “FOD” walk – picking up bits of trash and left-over airplane parts from the runway.

Please put your name and phone # on your gear – Tx, batteries and such – so that if you forget and leave them behind you can be notified – left behind items will be placed in the shed.

Old Business:

None

New Business:

The Flying Rules were revisited—the membership voted to remove the phrase “effective January 1, 2018 “ and add the phrase “and pertinent FAA regulations governing model aircraft.” As previously worded we would have had to vote on the rules every time AMA updated the Safety Code.

Show and Tell:

This is where I usually say something, but I have kinda run out of words!

I would like to thank Steve for his several years as President—a largely thankless job! And I appreciate his being willing to take it on for so long. Same goes for Mike—VP for several years, always there when you need him—and now taking on the duties of President. Thanks Mike!

Thanks go out to the rest of my fellow board members as well: Jim Utley, Harry Kart, Burt Rosensweig and Norm Coates.

All the pictures in this edition were taken by me, with my new Crosstour camera (similar to but less expensive than a go-pro) - but there is no zoom on it.
