Southern Alameda County Radio Controllers

President: Mike Pimentel

Secretary: John Chavez

Vice President: Steve Hoyt

Treasurer: Jim Utley (510) 352-3150

Meeting was called to order at 11:00 AM 02-08-2020

BOARD MEETING:

No meeting

GENERAL MEETING:

Meeting was called to order at 11:00 by President Mike Pimentel. About 25 members in attendance.

New Members:

None

News Letter Issues:

None

December Minutes:

Burt noted that Norm Coates had been left out as a Safety Officer/Member of the Board but this has been corrected.

Treasurer's Report:

Our yearly AMA re-charted has been paid.

The lease for the flying field has been paid. Our lease is up at the end of the year and it is expected that our lease payment will be increased.

Treasury report was accepted as read.

Safety Report:

The Pit area will be repaired by folding back the astroturf in areas where the mud has been oozing through, filling in these areas, and then re-securing the astroturf to remove the current slipperiness.

It was brought to the club's attention that people are flying at the field without being members. We allowed Bayside member's to fly at our field when they first lost their field, but this allowance is no longer being honored. Please be aware that everyone needs to be a member of our club and display their badge to fly at the field. We do allow non-members to fly at our field for a maximum of three times to be able to check out the club and flying field. But after the trial period, they are expected to join the club if they want to continue flying at the field.

Please wear your badges at the field to show that you are a club member.

Next meeting:
11AM March 14
At the Field

Field Report:

Club members have been proactively filling in the pot-holes in the road and Brady wants to thank those who have been taking care of this vital feature of our flying field.

Old Business:

None

New Business:

Viola Blyth sent the club a letter thanking the club for our yearly contribution. The contribution was greatly appreciated

Show and Tell:

Burt showed an Archer, which is for sale.

Dummy or the Month:

None

Editor:

Thanks to Jim Newman for acting as Secretary for the 2/8 meeting, John and I both had previous plans and could not attend.

The big news is that the Memorial Day fly-in at Castle has been cancelled. The long-delayed expansion for FedEx or UPS or whoever is going ahead. Rick Maida is searching for another venue—he has mentioned Crow's Landing (about the same distance) and Button Willow (+ 3 hours South of our area).

They finally settled on Reedly Municipal Airport near Fresno, starting Thursday thru Monday.

Unlike Castle the spaces will be on a first come first served basis, no reservations.

This is what happens when you use the wrong charger or charge setting. The batteries in his smoke alarm were dead too. He's lucky he's NOT dead . . .
