Other Stuff:

Art announced that former member (1971 to mid-1990s), Jerry Heuer, passed away recently and Mike asked for a moment of silence for him.

The War Bird Fly-in on July 15th was not well attended this year but those who did come had a great time and a Prize was awarded to the finest plane.

Jim Weiss announced that because there have been so many donations of planes and equipment for our club Raffles, no money has been used from the club's budget. Thank you to all who have donated!

Upcoming Events:

Jeff Whitney had Mike mention that the Oakland Aviation Museum is having an Open Cockpit and members are encouraged to bring their R/C models to exhibit at the event. Lunch will be provided.

July 15 is the Warbird event and August 12 and 13 is the Waldo Pepper event. The August meeting is moved to the first Sat of the month in August – the 5th.

Upcoming Events:

The Waldo Pepper's Flying Circus will be held at the field Saturday and Sunday the 12th and 13th of August. Bring your favorite old time flying machine!

Jeff Whitney reminded the club that there will be another "Open Cockpit Day" at the "Oakland Aviation Museum" on September the 10th. Members are encouraged to participate and bring a display plane.

Waldo Pepper's Flying Circus

Waldo started 8/12 a little overcast but quickly warmed up—it never got too hot. All in all we had 18 registered pilots and a lot of airplanes—there were even some for sale and good deals to be had.

Lunch both days was hamburgers and dogs—thanks to Mike Pimentel for cooking Saturday (and me on Sunday). Saturday night BBQ was by me—tripe and salmon. Very good!

There were a couple of incidents but no re-kits—Larry Shepard finally got a full flight on his really well done Ertich Taube (the engine had been quitting after just a minute or so in the air) - the Taube was also pilot's choice
