Volume 15 Issue 5

Page 1

Southern Alameda County Radio Controllers

President: Mike Pimentel

Secretary: Laurence Boag

Vice President: Jim Weiss

Treasurer: Burt Rosensweig (650)349-5314

Meeting was called to order at 11AM 10/11/25

General meeting agenda

President Mike Pimentel called the meeting to order at 11AM

Board members present were:

Mike Pimentel, President

Jim Weiss Vice President

Laurence Boag, Secretary

Burt Rosensweig, Treasurer

Art Vargas Director at Large

Steve Woodall Director at Large

New Members/Guests:

Kyle Christman, the son of Tim Christman, was visiting from Arizona and is learning to fly.

Burt has been training two 10 year old twins, Nikhil and Siddharth, to fly and they are ready to join with their dad.

Burt has also been working with 9 year old Yoram who will be joining with his Grandfather.

Officer's Reports:

Treasurer Report:

The Treasurer Report was read by Burt Rosensweig. We are solvent. The report was approved.

We brought in \$480 during the Waldo Pepper event which went towards the Viola Blythe fund.

We now have 102 members, 98 flying.

AMA has posted a FRIA map—here's the link:

[FRIA MAP](#)

You have to zoom in fairly close to see the area you are interested in.

Next meeting

6PM December 13

At Oakland Aviation Museum

Secretary Report:

The Newsletter was approved with one correction. It was noted that Steve Woodall was not included in the present Board Members.

There is a Link sent out for the Newsletter by Jeff Whitney and members are encouraged to read it before the meetings. Notice of planned activities which will occur soon will be sent out early.

Committee reports:**Maintenance Committee Report:**

A Major discussion took place vis a vis the replacing of the runway with a new product called petromat. It is evidently the cover of choice for many flying fields.

Mike Pimentel is going to research the different weights of the product and the associated costs of buying it and potentially having it installed.

He will then take an online vote to see how many members would be willing to support a new flying field.

Art Vargas has been using weed killer in the infield and Larry Yannes continues his trimming of the outfield. Dan Caldwell blows off the staging area every week.

Safety Committee Report:

Safety Be sure not to leave the gate open! If you do, and someone steals the lock, or simply the combination, we have to change the lock and all the combinations.

Read the SACRC rules and follow them.

I.E. Stay in flight box, don't fly down the runway, only arm your planes in appropriate places (only arm gas planes on gas tables), wear your badges, don't move the run out tables at far end of runway.

3D flying should be done clear of the runway.

Observe the 10 MPH speed limit on all dirt roads.

Be sure to place your name and contact info on your plane as well as your FAA# and AMA #. Lost and found planes without this information can not be returned. If you do lose a plane, be sure to try to retrieve it!

Old Business Announcements:**Training planes are for training only.**

Anyone using a trainer should replace it in flyable condition. No one should use these planes who is not a trainer or trainee.

Brady notes that the new ball caps with our logo on the front are now available for purchase for \$24 at www.rc-kits.com, or call 866 457 3999

New Business

The annual Holiday Celebration will be held at the Oakland Aviation Museum on December 13. As usual, the Turkey and Ham will be provided and pot luck dishes will be welcomed along with guests of the members. Please let Mike

Pimentel know what you plan to bring and how many people will be coming with you.

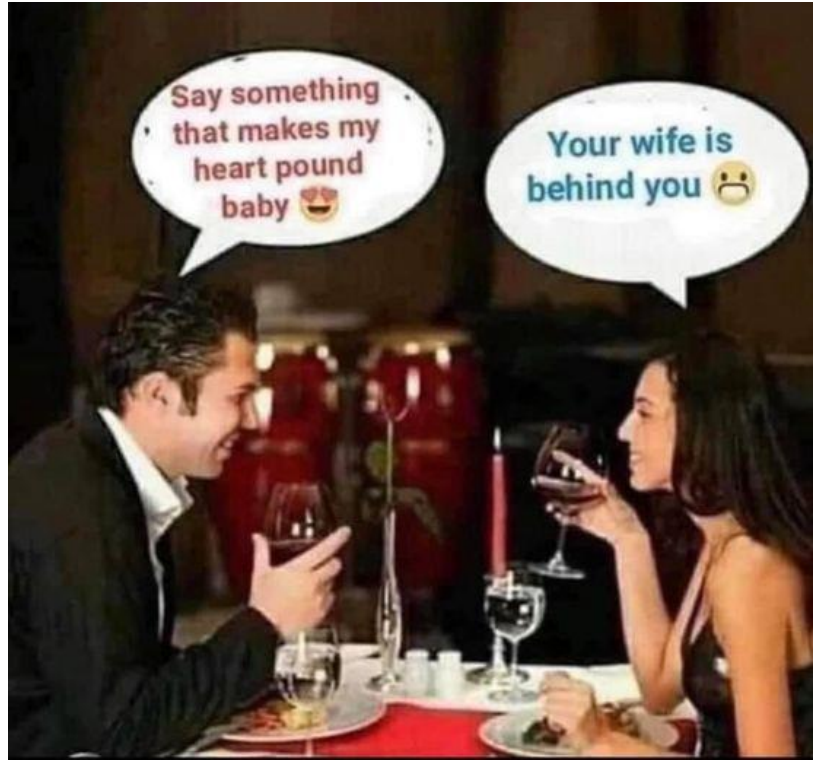

There will be the customary Raffle at the event!

Frank Willis has volunteered to do the Barbecues for the meetings and the first one was a grand success! It is great to have it back it full regalia again! Thank you Frank and thank you to your wife for all of her help.

David Ching has passed away and his son has donated lots of RC equipment for our raffles. We want to thank him.

A moment of silence was observed for him before the meeting was adjourned.

Meeting Adjourned at 11:45
