Next Meeting February 14 11AM at the Field

Not much to report—there is no business meeting for the Holiday Dinner.

The Dinner was once again held at the Oakland Aviation Museum from about 6 to 9. There were close to 40 attendees.

It was good too hang out the both old and new members.

Davi Ching's son Bobby donated some of David's kts and ARFs for the Raffle. The club once again gave gift cards to the ladies.

Of particular interest since the dinner was the runway resurfacing vote—it passed by 81%.

There will be a lot of work to get the astro-turf ready for the petromat—we don't want any lumps or dips. All the seams will have to be nailed down. I suggest we try to find a large garden roller (or maybe two regular ones) and roll the field smooth after the edges are nailed down.

So all of you the voted in favor, be sure and turn out for the work parties!

AMA has posted a FRIA map—here's the link:

You have to zoom in fairly close to see the area you are interested in.

Oakland Aviation Museum's Open Cockpit Day is coming up March 15, we would like some volunteers to show off your airplanes—Scale, Aerobatic or Sport, it does not matter. Let me (Jeff) know if you are willing. Free admission and free lunch. Live band from 1-3 and the European Train Enthusiasts are there (they have a HUGE HO train layout)
